Level 2 Adult Care Worker

To work in care is to make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges.

Adult Care Workers need to have the right values and behaviours developing competences and skills to provide high quality compassionate care and support.

They are the frontline staff who help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives which is at the heart of person centred care.

Job roles are varied and determined by and relevant to the type of the service being provided and the person supported. Adult Care Workers may work in residential or nursing homes, domiciliary care, day centres, a person's own home or some clinical healthcare settings.

Course content includes:

- How to support individuals to remain safe from harm
- How to promote health and wellbeing for the individuals they support
- Treating people with respect and dignity
- Clear and responsible communication skills
- Improving the experience of people who need care and support ensuring it is person centred
- Delivering care and support with kindness and consideration
- Applying knowledge and skills to provide high quality care and support
- Understanding and applying relevant legislation

Benefits for Learners

1. Develop a range of essential skills they can apply in their working environment.
2. Improved confidence, communication and professionalism
3. Knowledge of theories that underpin excellent health & social care support.

Benefit to the Business

1. Skilled and qualified staff
2. A motivated workforce who value their role
3. A programme that supports mandatory training e.g. Care Certificate

Commitment

20% of a learner's contracted hours must be given to support the completion of the programme. Tutor led sessions are a mandatory part of the course along with any other learning activities set by the assessor or tutor. Maths and English may need to be undertaken in addition to the main qualification depending on previous attainment in these areas. It is likely that the learner will be required to undertake research, reading and write ups to support their learning. The programme requires 100% commitment from the learner & employer to ensure successful completion. This programme lasts approx. 15-18 months.

Delivery

Learners will attend regular theory sessions at one of our ACL centres and have access to a range of online resources. They will have a visit once a month with their assessor who will guide them through their Apprenticeship and prepare them for their End Point Assessment. Reviews of progress are carried out every 12 weeks with the learner, their line manager and the assessor.

Additional workshops and seminars will be available to all learners to support additional learning and the 20% off job learning requirement.

End Point Assessment (EPA)

End Point Assessment (EPA) takes place at the end of the apprenticeship programme and is a comprehensive holistic assessment of the learners' skills, knowledge and behaviours as defined in the apprenticeship standard. It is made up of two parts:

Situational judgement test 50% - The test will provide the candidate with a range of real-life scenarios about which the learner will have to answer questions in a multiple choice

format (60 questions). The test will normally be taken on line under controlled conditions with a time limit applied. Questions will draw from the stated knowledge and skills elements of the standard and focus on the higher order competencies. Material may be drawn from any part of the apprenticeship standard.

Professional discussion 50% - A professional discussion will be undertaken with an independent assessor. The discussion will be of no more than 45 minutes duration. Candidates can only apply to undertake the discussion component once the situational judgement test has been achieved. The discussion will draw questions and amplifications from prior learning and experience including, where applicable, the candidate's self-assessment and supporting evidence including testimony from users of services and a sample of standardised candidate questions asked of every apprentice candidate in the interview.

If the result is a fail then a resit will be agreed with both learner and employer.

Entry Requirements

Applicants must:

- Be working within a suitable care setting
- Have English and Maths GCSE's or equivalent at grade C or be deemed able to achieve the required level as part of the programme
- Not hold a similar qualification
- Be employed and have the support of their employer to undertake the programme

Application Process

Applicants will:

- Complete an application form
- Undertake an Initial Assessment test that includes maths and English
- Have an interview with an ACL team member to assess suitability and eligibility

Employers will

- Sign a contract with ACL
- Consent to a health and safety checklist to be completed by an ACL team member
- Agree a payment schedule for the cost of the apprenticeship
