Level 3 Customer Service Specialist

This apprenticeship is designed for individuals working in a Customer Service role and looking to develop their skills to undertake a senior position

The main purpose of a customer service specialist is to be a 'professional' for direct customer support within all sectors and organisation types.

They are an advocate of Customer Service who acts as a referral point for dealing with more complex or technical customer requests, complaints, and queries. You are often an escalation point for complicated or ongoing customer problems. As an expert in your organisation's products and/or services, you share knowledge with your wider team and colleagues. You gather and analyse data and customer information that influences change and improvements in service. Utilising both organisational and generic IT systems to carry out your role with an awareness of other digital technologies. This could be in many types of environment including contact centres, retail, webchat, service industry or any customer service point.

Duration

There will be an expectation for apprentices to achieve the Level 3 Customer Service Specialist in 15 months.

Benefits for Learners

1. Build professionalism and confidence in a working environment
2. Ability to manage their own performance
3. Gain knowledge on Customer Service theories within the context of their work setting.

Benefit to the Business

1. Productive team members
2. Customer Service Specialist qualified staff
3. Responsible and adaptable team members

Delivery

Learners will attend regular sessions at one of our ACL centres and have access to a range of online resources. They will have a visit once a month with their assessor who will guide them through their Apprenticeship and prepare them for their End Point Assessment. Reviews of progress are carried out every 12 weeks with the learner, their line manager and the assessor.

Additional workshops and seminars will be available to all learners to support additional learning and the 20% off job learning requirement.

Commitment

20% of a learner's contracted hours must be given to support the completion of the programme. Tutor led sessions are a mandatory part of the course along with any other learning activities set by the assessor or tutor.

Maths and English may need to be undertaken in addition to the main qualification depending on previous attainment in these areas. It is likely that the learner will be required to undertake research, reading and write ups to support their learning. The programme requires 100% commitment from the learner & employer to ensure successful completion.

End Point Assessment (EPA)

End Point Assessment (EPA) takes place at the end of the apprenticeship programme and is a comprehensive holistic assessment of the skills, knowledge and behaviours required as laid out in the apprenticeship standard.

The Level 3 Customer Service Specialist EPA is made up of:

Practical observation with Q&As - The apprentice will be observed in their working environment. This will be completed by the Independent End Point Assessor from the EPA organisation.

Work based project, supported by an interview - The work-based project is completed within 2 months from the start of the end-point assessment period. The interview will take place before the end of the 3-month end-point assessment period.

Professional discussion supported by portfolio
