2021/22 Certificate in Principles of End of Life Care

What Qualification/level is this course?

This is an NCFE Level 3 Certificate

Who is the course for?

This qualification is designed for anyone who is seeking to increase their knowledge of end of life care in a vocational setting. It's aimed at those working in the adult or health care sector whose job description includes caring for those who have a life-limiting illness.

This qualification is also appropriate for those who have already achieved other sector-specific qualifications in the healthcare sector who need to apply their understanding in a palliative care context.

This course is also suitable to those wishing to build confidence, those returning to work and those looking to improve their employment opportunities to build the skills required for working in the care sector.

What can I expect to learn?

Develop an understanding for areas such the definition of end of life care, common questions and themes in end of life care, the range of possible approaches to end of life care, an understanding of how to support a person's familial, spiritual, social and emotional needs and how to confront issues of death and bereavement.

How will I learn?

An online course where learners will also be asked to carry out research and reflection for the subject area and will be directed to online tools and reputable websites. Learners must successfully demonstrate their achievement of all learning outcomes of the units.

How will I know how well I am doing?

Learners will have an assigned tutor who will communicate on the online platform and when needed telephone or Microsoft Teams.

Work will be regularly assessed and marked, and learners will be provided with encouraging developmental feedback.

Targets will be set at different stages of the course to enable learners to meet personal and course objectives.

Will I have to do any work at home?

We recommend at least 8 – 10 hours a week to complete research, reading and home study.

Typically, the course can be completed in 5 months.

What will I need to provide?

Learners will need to have access to a computer or device to enable them to visit the online platform to complete and submit work.

Telephone to enable tutor contact.

Pen/pad of paper for taking notes for example to use during one to one phone meetings.

Are there any other costs?

There are no other costs in addition to the course fee.

What can I do next?

The tutor will be happy to support and guide learners towards courses that will compliment current skills, needs, interests and current job role.

Learners may wish to consider the following:

- Level 3 Certificate in Understanding Autism
- Level 3 Certificate in Mental Health Awareness
