# CAREERS A-Z

plus courses that might help

EMPLQYABLE

[aclessex.com/employable](https://aclessex.com/employable)

There are many, many careers you could go into. In this booklet you will find a small selection as well as the courses we offer that might help you to get into that career.

You might notice we missed out the letter 'x'.

You can click the course links in this booklet to see the courses we currently offer in this area and courses linked to this area you might also be interested in.

Please note: We have only included Supported Learning courses in this booklet, however we have learning support available across all of our curriculum areas.

To find out more about the courses in our other curriculum areas and the learning support we offer, please visit our website: [aclessex.com](https://www.aclessex.com).

Here you can tick the careers in this booklet you might be interested in finding out more about.
